

LUNCH N' LEARN: PROJECT MANAGEMENT FOR PROPERTY MANAGERS

A step-by-step process for managing all types of projects including construction and major repairs/replacement

May 25th | 12:00 p.m. - 1:30 p.m. | SAR Mack Powell Auditorium

Most property managers have to manage construction and/or major repair or replacement projects during their careers. Often, these projects involve very large dollars and carry significant risk. Few of us have the luxury of being able to hire professional project management firms to manage these projects. So it's often up to us to figure it out and bring the project in on time and on budget.

In this, a continuation of IREM Chapter 22's very popular Lunch 'N Learn series of presentations, you will hear from two long-time property managers with many years and many projects under their belts, a construction and emergency restoration contractor and a well-known experienced project manager. They will each share their considerable experience with project management and you will have a chance to ask them your questions about this process.

Don't miss this great opportunity to learn and ask questions about managing your large projects.

Speaker Panel:

Phil Sunseri, CEO, Sunseri Associates, Inc.

Ken Daley, Senior VP, DH Construction

William Sheridan, CPM® SFinvest, IREM Sacramento 2018

Jeff Lapin, CPM ®, VP Property Management, Coastal Partners
